Title I Tech Team

Parent Controls: Computer using Google Chrome

~ Open Google Chrome

~ Click on your account icon at the top right of the computer screen.

~ Click on **MANAGE PEOPLE**.

~ Click on **ADD PERSON**, type your child's name, and give them an icon picture.

To Set Up Parental Controls in Google Chrome

~ Click on your account icon in the upper, right of the computer screen

~ Click on your child's name

~ Click the 3 dots next to your child's account icon

~ Click on **SETTINGS**

~ Scroll through the settings and adjust as needed

Don't forget when your child is on the computer, have them use their account with the parental controls set up.
